

Bylaws of the First Congregational Church Of Stoughton (UCC)

An Open and Affirming Congregation
(Revised: May 2016)

Welcome Statement

Here at the First Congregational Church of Stoughton, United Church of Christ, we celebrate the diversity of God's creation and affirm the dignity and worth of every person as created in the image of God [Genesis 1:27].

Living in openness to the Voice of the Still Speaking God, and following the Greatest Commandment of Jesus Christ to love God and neighbor, we extend an extravagant welcome to all persons of every age, race, nationality, ethnicity, faith background, marital status, family structure, gender, sexual orientation, gender identity, gender expression, socio-economic status, physical or mental ability, affirming that we are all members of the family of God.

We invite all into the full life and ministry of our church, including worship, sacraments, rites, covenants, fellowship, leadership, employment, commitments, blessings, and joys.

No matter who you are or where you are on life's journey, you're welcome here.

Our Vision

We are called together to embrace God's transformation of our lives and our world by becoming and serving as Christ's disciples.

Our Mission

Our mission is to form disciples of Christ and transform our lives, and the lives of others, through Christ.

We do this by nurturing our relationship with God.

through the spiritual practices of
daily prayer, weekly worship, daily bible reading,
serving within and beyond our church,
developing spiritual relationships, and giving generously

Faith

This church acknowledges as its sole head Jesus Christ, Son of God, and Savior. It acknowledges as brothers and sisters in Christ all who share this confession. It looks to the Word of God in the scriptures and to the presence and power of the Holy Spirit, to prosper its creative and redemptive work in the world. It claims as its own the faith of the historic

Church expressed in the ancient creeds and reclaimed in the basic insights of the Protestant Reformers. It affirms the responsibility of the Church in each generation to make this faith its own. In accordance with the teaching of our Lord and the practice prevailing among Christians, it recognizes two sacraments: Baptism and the Lord's Supper or Holy Communion.

The United Church of Christ Statement of Faith

We believe in you O God, Eternal Spirit, God of our Savior Jesus Christ and our God, and to your deeds we testify:

You call the worlds into being, create persons in your own image, and set before each one the ways of life and death.

You seek in holy love to save all people from aimlessness and sin.

You judge people and nations by your righteous will declared through prophets and apostles.

In Jesus Christ, the man of Nazareth, our crucified and risen Savior, you have come to us and shared our common lot, conquering sin and death and reconciling the world to yourself.

You bestow upon us your Holy Spirit, creating and renewing the church of Jesus Christ, binding in covenant faithful people of all ages, tongues, and races.

You call us into your church to accept the cost and joy of discipleship, to be your servants in the service of others, to proclaim the gospel to all the world and resist the powers of evil, to share in Christ's baptism and eat at his table, to join him in his passion and victory.

You promise to all who trust you forgiveness of sins and fullness of grace, courage in the struggle for justice and peace, your presence in trial and rejoicing, and eternal life in your realm which has no end.

Blessing and honor, glory and power be unto you.

Amen.

2. **Definitions:** A **Board** or a **Ministry Team** are the primary units within the life of the Church with broad responsibilities. Therefore, they are entitled to hold one seat on the Church Council. A Committee has a more specific focus and often reports to a board or ministry team. A Sub-Committee is more directly tied to a board because at least one of its members is a member of the parent board

3. **Boards, Ministry Teams & Committees:** The Church is comprised of several main operational groups including but not limited to: The Music and Worship Ministry Team, The Board of Trustees, The Christian Education Ministry Team, The Mission and Outreach Ministry Team, Pastoral Relations Committee, Stewardship Committee, Investment Committee, Memorial Gifts Committee, Safety Committee, Nominating Committee, The Caring Ministry Team, and The Teaching Parish Ministry Team.
4. **Meetings:** All meetings of the church organizational groups will be organized under the parliamentary authority of Robert's Rules of Order. These meetings may go into Executive Session provided they conform to appropriate procedures as described in Robert's Rules of Order.
5. **Fiscal/Program Year:** The Fiscal Year of the Church will be January 1st to December 31st. The Program year will be from July 1st to June 30th.
6. **Congregational Meetings:** There will be two regular meetings of the congregation: The **Annual Program Meeting**, to be held in May, and an **Annual Budget Meeting**, to be held in January. Dates for these Annual Meetings shall be set by the Church Council and announced during worship on the two preceding Sundays. The notice and agenda shall be posted at least 14 days prior to the day of the meeting and all members shall be notified of the date by mail. The notice and agenda shall be postmarked not less than 14 days before the meeting. In the event of a cancellation of a meeting due to weather conditions, the meeting will be held on the next Sunday the church is open without any further notification. A quorum for all annual and special meetings shall be 25 percent of the current Active Members and these people must be present in order to vote. Where more than one person is nominated for any position a written confidential ballot shall be used. A **special meeting** may be called by the Church Council, and shall be called upon written request of at least 25 percent of the current Active Members, for the consideration of urgent business. The notice and agenda of this special meeting shall be postmarked no later than 7 days before the date of the meeting. No action shall be taken at a regular or special meeting except that which is set forth in the agenda for the meeting. All meetings will be organized with the parliamentary authority of Robert's Rules of Order or a similar set of rules if so voted by a 3/4 majority of the Active Members of the congregation.
7. **Terms of Office:** The Moderator, Vice Moderator, Safety Officer, Board, Ministry Teams, and Committee members shall be elected by a majority vote for two-year terms at the Annual Program Meeting in May. It is suggested that after two consecutive terms, the Moderator, Vice Moderator and members of Boards, Ministry Teams, and Committees are ineligible to serve in that same position until one year has passed unless nominated and elected at the Program meeting in May. All positions that are appointed or hired shall be exempt from the two-year limit subject to review by the appointing authority. Although the incoming personnel won't officially take office until July 1st, the June meeting of each board and committee shall be a joint meeting of the outgoing and incoming personnel. At that June meeting a Chairperson and Secretary will be elected for the upcoming year and their duties will begin July 1st, the beginning of the Program Year. The joint meeting in June will be a transitional meeting to help the incoming board, ministry team, and committee members become familiar with their duties and responsibilities.
8. **Goals, Objectives, Budget Requests:** At the beginning of the Program Year each board, ministry team, and committee should determine its goals and objectives for the upcoming year and anticipate its financial needs. Budget requests for the upcoming fiscal year are to be sent to the Board of Trustees by August 1st.

9. Leadership, Meetings & Reports:

- a. At their first meeting, after the Annual Program Meeting in May, each board, ministry team, and committee shall elect a Chairperson and Secretary by majority vote. All members of the board, ministry team or committee are eligible for these positions and interested persons may place their own name in nomination.
- b. Each board, ministry team and committee shall decide when and where their meetings will take place, meeting frequently enough so that they are able to effectively discharge their responsibilities. All board, ministry team and committee meetings are open to all church members (except Pastor Relations Committee whose meetings are private) and each group must publish their meeting times in the church calendar.
- c. The Chairperson shall convene all meetings, prepare an agenda in consultation with the Pastor and have general oversight of the work of the board, ministry teams, or committee.
- d. Each board, ministry team, and committee shall communicate their activities when appropriate to the entire congregation via the church newsletter except Pastor Relations Committee whose meetings are private. Each board and ministry team shall prepare a report of their activities for the Program Year. This report shall be prepared for the Annual Program Meeting and is due by May 1st.

10. Worship Attendance: The members of all boards, ministry teams, and committees are encouraged to regularly attend worship services.

11. Job descriptions: The Church Council, boards, ministry teams, and committees shall prepare and maintain job descriptions for any paid employees under their jurisdiction and shall forward them to the Church Council for review.

12. Work of the Boards and Ministry Teams: There is a distinction to be made between the “work” of a board and ministry team and the “decisions” made by a board and ministry team. While decisions on various issues are made by majority vote of each board and ministry team, how that decision gets carried out is flexible. At its discretion a board or ministry team has a number of options available to it: a) It may do the work itself; b) it may establish a sub-committee, consisting of at least one member of the board or ministry team. The Sub-committee will carry out their decisions and provide the Board or Ministry Team with input; or c) it may assign the work to any person. When assigning tasks to persons outside of a board or ministry team it may be appropriate to gather data and advice from any of the following: The Pastor, The Worship and Music Ministry Team, and/or The Nominating Committee.

13. Conflicts of Interest:

- a. Conflict of Interest Defined: A conflict of interest may exist when the interests or activities of any member of the Church Council, Board of Trustees, Worship and Music Ministry Team, Christian Education Ministry Team, Mission and Outreach Ministry Team, any Subcommittee or any appointed Task Force may be seen as competing with the interests of the Church or such person derives or may derive a financial or other material personal gain as a result of a direct or indirect connection to a transaction involving, or other action taken by, the Church.
- b. Disclosure Required: Any possible conflict of interest shall be disclosed to the Moderator and, if the transaction or action to be taken involves a member of a Board, Ministry Team, Subcommittee or Task Force, it shall be reported by the Moderator to all members of that Board, Ministry Team, Subcommittee or Task Force.

- c. Voting: When any conflict of interest relates to a matter requiring action by the Church Council, Church Boards, Ministry Teams, Subcommittees or any Task Force, the interested person shall call it to the attention of the decision-making body and such person shall not vote on the matter. The interested party shall, nonetheless, be counted in determining the presence of a quorum.
- d. Absence from Discussion: Unless requested to remain present during the meeting, the person having the conflict shall retire from the room in which the decision-making body is meeting and shall not participate in the final deliberation or decision regarding the matter under consideration. However, the person having the conflict shall provide the decision-making body with any and all relevant information.
- e. Minutes: The minutes of the meeting shall reflect that the conflict of interest was disclosed and that the interested person was not present during the final discussion or vote and did not vote on the matter giving rise to the conflict. When there is doubt as to whether a conflict of interest exists, the matter will be resolved by a vote of the decision-making body, excluding the person concerning whose situation the doubt has arisen.
- f. Annual Review: A copy of this Article shall be furnished annually to, and reviewed with, each member of the Church Council, Board of Trustees, Worship and Music Ministry Team, Christian Education Ministry Team, Mission and Outreach Ministry Team, any Subcommittee or any appointed Task Force promptly following the commencement of his or her term of office.

2. The Pastor shall be a non-voting advisor to each board, ministry team, committee and sub-committee of the church.
3. Selection: As soon as possible after learning that the current Pastor is leaving, the Chairperson of the Church Council shall inform the Associate Conference Minister and call a meeting of the Church Council. The Church Council shall then determine an appropriate process for selecting the number and members of a Search Committee, which adequately reflects the diversity of people and opinions within the congregation.
4. The Search Committee shall secure the advice and council of the Associate Conference Minister on matters of appropriate procedure and may request from him/her any relevant

information about candidates it may wish to consider.

5. Any Pastor, including those from denominations with which the United Church of Christ is in full communion (The Disciples of Christ; The Presbyterian Church-USA; The Reformed Church in America and The Evangelical Lutheran Church) may confer with the Area Conference Minister about a pastoral vacancy and may be considered for the position. 8. The Search Committee, after determining which candidate it wishes to recommend, shall arrange for the congregation to hear the candidate preach and lead worship at a regular Sunday morning worship service immediately followed by a special congregational meeting to vote on the Search Committee's recommendation. All details of the pastor's contract, job description and letter of call shall be negotiated first and communicated to the congregation before the recommended candidate appears before the congregation. Approval by an **80%** majority of those Active Members voting by written confidential ballot shall constitute a call.
